### **\*Language Arts\*Science\***

#### **\*Social Studies\***

We combined a couple of topics this week with Dr. Seuss and Dental Health. Monday, we celebrated Nebraska State Day. Ask your favorite "K" Kid how old Nebraska is. Tuesday, we discussed ways to keep our teeth healthy.

We did a little experiment with eggs and things that would stain our teeth (pop, tea, and coffee) if we didn't brush. We also "taste tested" some toothpastes to see which one was our favorite. Wednesday, we celebrated Dr. Seuss' birthday and made "Cat in the Hat" hats. Thursday, we read Yertle the Turtle and drew/painted turtles. Friday, we wrapped up dental health by writing letters to the tooth fairy. We had all sorts of interesting questions for her!!

### **...Next Week...**

#### **Oceans**

We will start our theme over Oceans next week. If you have any interesting ocean items or books (other than sea shells) that you would be willing to share, please send them to school with your child for our ocean center.

### **\*Bear's Special Person\***

Lily

### **\*Math\***

We are doing great with addition at our number stations! Everyone is working at their own pace to learn number combinations up to 10.

Another concept that we are continuing to work on is money. It is our kindergarten objective to know the names and value of a penny, nickel, dime, and quarter. Any practice at home would be helpful. ☺

### **\*Leprechauns\***

By now, I'm certain that you've heard about the leprechauns that come around and do mischief during the month of March. These fun little characters inspire lots of writing and problem solving in our classroom. ☺

### **\*Conferences\***

Conferences are coming up March 16<sup>th</sup> and 17<sup>th</sup>. We are sending home slips that indicate your time and date of your scheduled conference. Please sign and return ☺

Sincerely,

Mrs. Brockhaus, Mrs. Moneymaker,  
and the K Kids
